Quiet operation The Heron Premium PT-1328 Hot Cold Dispenser is a high-quality water dispenser designed to provide a convenient solution for both hot and cold water. Its sleek and modern design complements any environment, whether it's at home, in the office, or in public spaces. Equipped with advanced heating and cooling technology, this dispenser ensures a consistent supply of hot and cold water for drinking, making coffee, or preparing instant meals. The child safety lock for hot water and its energy-efficient features make it an ideal choice for families and workplaces alike.

[Key Features of Heron Premium Hot Cold Dispenser :](#)

Dual Temperature Control: Precisely control the temperature of both hot and cold water for your desired beverage.

Large Capacity: Offers a generous capacity of 5 liters for hot water and 2 liters for cold water, ensuring an ample supply for multiple users.

Rapid Heating: Quickly heats water to your desired temperature, providing instant hot beverages.

Child Safety Lock: Prevents accidental burns and ensures the safety of

children.

Removable Drip Tray: Easy to clean and maintain.

Stainless Steel Construction: Built with durable stainless steel for a sleek appearance and long-lasting performance.

Energy-Efficient: Low power consumption for cost-effective operation.

Technology of Heron Premium Hot Cold Dispenser:

Introducing the Heron Premium Jar Water Dispenser, a versatile and reliable appliance designed to provide both hot and cold water with ease. Manufactured in China, this dispenser boasts a sleek and modern design that seamlessly fits into any home or office environment. With a hot water capacity of 5 liters and a cold water capacity of 2 liters, it ensures an ample supply of refreshing beverages.

Featuring a simple push-button operation, the Heron Premium Jar Water Dispenser allows users to effortlessly dispense water whenever they need it. The built-in thermostat guarantees that the hot water is always at the perfect temperature for brewing tea or coffee. On the other hand, the cold water is chilled using a compressor cooling system, ensuring a crisp and revitalizing taste.

Maintenance is a breeze with the Heron Premium Jar Water Dispenser, thanks to its removable drip tray that can be easily cleaned. Crafted from durable and high-quality materials, this dispenser is built to last. Safety is a top priority, as evidenced by the child safety lock on the hot water faucet, preventing accidental burns.

Why Choose Aquafit Technologies for Your Domestic Water Purifier Needs

When it comes to selecting a domestic water purifier, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. Economical Pricing: We offer high-quality water purifiers at competitive prices, ensuring that you get the best value for your money without compromising on quality.

2. Rapid Service: Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.

3. Three Years of Free Servicing: Enjoy peace of mind with our three-year

free servicing offer, which covers regular maintenance and repairs, reducing long-term costs.

4. EMI Opportunities: To make our products more accessible, we offer EMI options, allowing you to spread the cost of your purchase over manageable monthly payments.

5. Extensive Service Network: With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.

6. Affordable Filter Parts: We provide filter parts at the lowest prices, making it economical to maintain your purifier and keep it running efficiently.

7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated domestic water purifiers and join the many satisfied clients who trust us for their water purification needs.
