Sodium Hypochlorite- Liquid

Sodium hypochlorite (NaOCl) is a widely used chemical compound available in liquid form. Commonly known as bleach, it's a powerful oxidizing agent with effective disinfectant and bleaching properties. Our sodium hypochlorite solution is manufactured to high standards, ensuring consistent quality and performance for various applications.

Key Features and Benefits Sodium Hypochlorite- Liquid :

- **Powerful Disinfectant:** Sodium hypochlorite effectively kills a broad spectrum of bacteria, viruses, and fungi, making it ideal for disinfecting surfaces, water, and equipment.
- **Effective Bleaching Agent:** It's a strong bleaching agent, capable of removing stains and whitening fabrics (use with caution on delicate materials).
- **Versatile Applications:** Sodium hypochlorite liquid finds use in a variety of settings:
 - **Water Treatment:** Disinfecting drinking water, wastewater, and swimming pool water.
 - **Household Cleaning:** Sanitizing surfaces, removing mold and mildew, and laundry bleaching.
 - **Healthcare:** Disinfecting medical equipment and surfaces.
 - **Industrial Applications:** Various industrial processes requiring disinfection or bleaching.
- **Easy to Use:** The liquid form allows for easy dilution and application.

Safety Information of Sodium Hypochlorite- Liquid:

- **Corrosive:** Sodium hypochlorite is corrosive and can cause skin and eye irritation. Handle with care and wear appropriate protective equipment (gloves, eye protection).
- **Do not mix with acids:** Mixing with acids can release dangerous chlorine gas.
- **Ventilation:** Use in well-ventilated areas.

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

- 1. Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
- 2. Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
- 4. Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
- 5. Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
- 7. 24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
- 8. 100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
- 9. Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.
- 10. Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient

and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
